Honoring Those We Have Lost to Gun Violence

Please join us on this day to remember and honor those we have lost to gun violence. We stand to remind people that all these tragedies have faces, families, hopes and dreams that can never be fulfilled due to the scourge of gun violence in our country.

We also stand to remind people passing by that in this country we all have a voice and the right to be heard on the gun violence issue. We honor with action.

Everyone is welcome! We encourage other groups on the Cape and beyond to join us in our remembrance.

(It could be cold – munchkins and hot chocolate provided)

Parking in Staples lot
