As with almost everything we do, we count on our members and Board to make things happen for Grandmothers. And this is a great chance with summer traffic starting. We can bring awareness to gun violence prevention weekend as well as remember those who are gone from us through senseless gun violence.

**What do we need:**

**Baked goods...pies, cookies, bars, rolls, scones, (maybe two things?)**

**Nothing that needs refrigeration.**

**When does it need to be there:**

**Please deliver by 10:00 on June 3 (Saturday) to the location above.**

**Labeling if possible:**

**Please label item with what it is and if there are nuts or allergens.**

**(We will also label onsite.)**

**How you let us know: Please email [karendrusha@gmail.com](mailto:karendrusha@gmail.com) and let her know what you will bring ASAP so we can be sure we can do this.**

**PS Please ask your friends if they would like to bake something. We received many food donations from friends last year!**

**We need your help for this to be successful!**

**Why Do We Wear Orange on This Weekend?**

**Orange is the color that Hadiya Pendleton's friends wear in her honor. She was shot and killed in Chicago at the age of 15 — just one week after performing at President Obama's 2nd inaugural parade in 2013. Join us to stand up, speak out, and take action to raise awareness about gun violence. Please wear orange if you have any**
