

We Need Your Help! MEGA RALLY!

What Happened to the Gun Violence Prevention Conversation?

Covid Happened and took away all the buzz and media attention that gun violence prevention had generated! Between the election and covid, there is scarcely a mention of gun violence unless it relates to militias or other violence. It is time to take back that conversation with all its complexities and nuances.

We need people to help us do that!
Please join us – everyone is welcome

**Rally at the Rotary Reminds People to Vote for Gun Violence
Prevention Candidates – October 14th, 11:30 - 12:30
Hyannis Airport Rotary (Masks Required)**

The election is upon us and with all the other stresses and news in people's lives, **WE NEED TO MAKE IT CLEAR THAT GUN VIOLENCE IS A MAJOR PUBLIC HEALTH ISSUE IN AMERICA.** This rally speaks to visitors to the Cape from other states as well as MA residents. This rally is a masked and socially distanced rally.... as safe as any other you have been to if not safer. We have signage available.

Your Vote is Your Voice!
